

FIRST DAY OF SCHOOL: EIGHTH GRADE SOUTH FLORIDA MIDDLE SCHOOL, 2007

(AP) FLORIDA RED ZONE – August 14, 2007 – President John Kerry warned parents and children in South Florida that mandatory radiation and chemical gear would be required to be worn “for the

foreseeable future” since the Suitcase Dirty Bomb terrorist attack on South Florida in the spring. The first day of school was chaotic, as teachers and school officials attempted to bring some
